

INSTRUCTIONS

PART LIST:

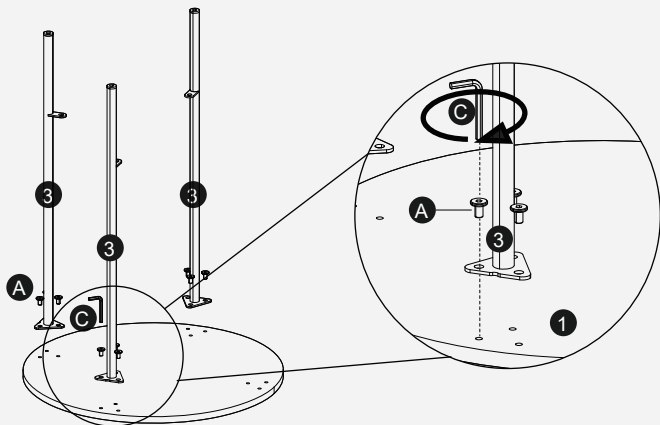

Please check whether all the parts are complete before installation.

INSTALLATION STEPS

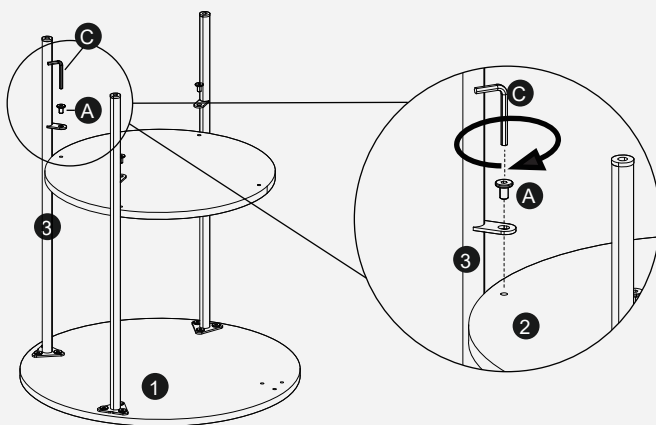

Spet1:

Insert the **A** screws through the holes of the three legs and then screw them into the holes of the No. 1 top panel to install the three legs.

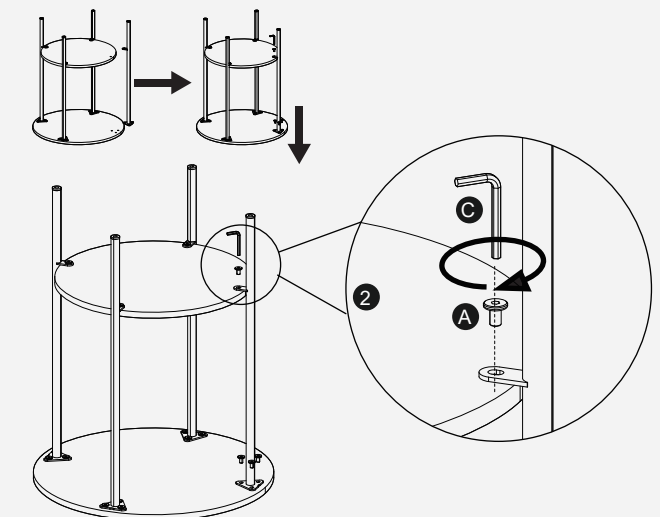

Spet2:

Insert the **A** screws through the holes of the **3** legs and then screw them into the holes of the **2** bottom panel to fix the bottom panel.

Spet3:

Fix the last legs onto the top panel and the bottom panel with A screws.

Spet4:

Screw the **B** adjustable foot studs into the bottom of the legs, and then place the round side table upright on the ground.
